Flush Mount LED Docking Light

NOTE: Pictured Mounted in OEM Proprietary SS Housing

**Application: Hull Mounted Docking Lighting Common on Deck Boats**

Features

• Fully sealed for watertight use

• Stylish, space-conscious design

• Ivory white housing provides a unique finish when installed without the stainless steel bezel (sold separately)

• LED technology fosters long fixture life and reduced power consumption

• Housing comprised of 25% glass fill for added strength and stability

Part Numbers

69369E	Beige White Housing
81371-S/S BEZEL	Stainless Steel Bezel

Product Details

Housing Material	Polycarbonate
Bezel Material	304 Stainless Steel
Lens Material	Borosilicate Glass
Voltage	12V DC
Wattage	3.4W
Current	0.28A
Lumens	290 LM
Color Temp.	5000K
IP Rating	IP66
Cutout Dimension	4.5"W x 1.625"H

2.26"
