

Hull Mount LED Docking Light

Features

- High polished 316 grade stainless steel housing for superior corrosion resistance
- 300+ lumens of illumination
- Innovative side reveal offers an eye-catching accent lighting feature
- IP66 rated - completely sealed and watertight
- Power saving LED technology
- Ideal for fiberglass hull mount boat applications
- Small profile surface mount design allows for many mounting options

Product Details

Housing Material	316 Grade Stainless Steel
Lens Material	PC 1250Y Water Clear
Voltage	12V DC
Wattage	5W
Current	.42A
Lumens	300LM
Color Temp.	6300K

Part Number

69389ESS-L/R Hull Mount LED Docking Light Pair
