Features

- Excellent light output with minimal space requirements. Perfect for space limited installations.
- Flush mount and surface mount options available.
- Horizontal light beam pattern
- Completely sealed and watertight
- Reduce power consumption by 90%, replace 35 watt fixture with 3.4 watt
- Perfect for replacing heat producing halogens without sacrificing light output

Part Numbers

69724SSE	Recess Mount [1.3" Recess]
69724ESS-CAB	Surface Bracket Mount
69725E-SS	Shallow Recess Mount [.93" Recess]

Product Details

Housing Material	304 Stainless Steel
Lens Material	Water Clear Polycarbonate
Voltage	12V DC
Wattage	3.4W
Current	0.285 A @ 12V DC
Lumens	290LM
Color Temp.	5000K
Cutout Dimension	2.8" x 0.67"
