

USB Drink Holder

Features

- Lit drink holder with the addition of a standard USB-A charging
- Eliminates the need for an additional USB charger and reduces the amount of wiring needed
- Size and design coordinates with other ITC non-USB drink holders to ensure a consistent look throughout the boat
- Available with or without lit decorative ring and USB
- Lit ring available in blue or RGB

Base Part#	USB Option*	Lit Ring Color*	Mounting Option	Connector Option*
81433SS	USB - USB	BL - Blue RGB - RGB	SP - Spring Mount SC - Screw Mount TP - Tape Mount	DT - DT Connector

*Leave blank for no USB, lit ring or connector

Product Details

Housing Material	Polycarbonate
Bezel Material	304SS
Voltage	10-14V DC
Current	0.12A
Charging Capacity	2.1A
Cutout Dimensions	3 ⁵ / ₈ "
IP Rating	IP66
UV Stable	Yes
Wire Gauge	18AWG
Wire Length	7"
Operating Temp	-4°F to +122°F
