- The Approach light has been tested and validated to the most stringent automotive quality standards

## Specification Guide

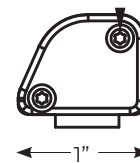

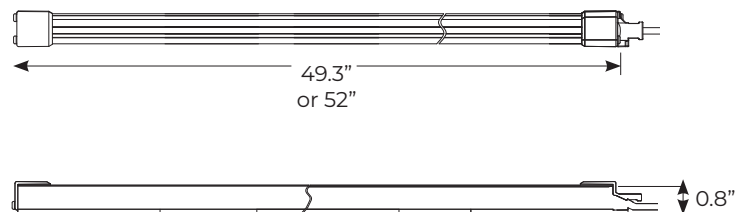

### Sample Part #: AL01-11L-T

Base Part .....  
Length .....  
Mounting Side .....  
Mounting Type .....

Base Part #	Length	Mounting Side	Mounting Type
AL01	11 - 49.3" 13 - 52"	L - Left R - Right	P - Pad T - Tape

## Product Details

Housing Material	Aluminum
Lens Material	Silicone
Voltage	3.6V DC
Wattage	8.3 W
Current	0.61 A
Lumens	83 LM
Color Temp.	7400K
IP Rating	IP67
Wire Gauge	18 AWG

\*Patent Pending
