Features

- The arm, leg, and table base all come apart for more convenient storage.
- The classic floor mount allows for easy installation.
- The table top is adjustable with a 360° swivel to go from eating to working.
- The vertical leg is available in 27" and 29" standard stock, additional heights are available with minimum order quantities.
- Easy, quick removal makes the system perfect to stow away when the table is not being used.
