

Rectangle Table Top

Features

- Eight standard color options, a refined bottom edge and black textured bottom.
- Dual layer with recycled plastic support providing a rigid, wobble free table top solution.
- Available in lit or unlit options
- Fully powered system when paired with ITC's Hemlock power distribution table leg.
- Add perimeter lighting to provide a down light that adds a bright touch to removable table tops.
- Upgrade the phone holder with a USB.
- Large capacity drink holders with cup stabilizers available in lit and unlit versions
